24th March 2017

Dear Parent(s)/Carer(s)

Restrictions to Parking on School Premises at 3.05pm

As you are aware parking in the school grounds at the end of the day is restricted to parents and carers who are disabled, have difficulty in walking or have children will mobility problems.

We ask all parents/carers who need to drive to school to use Hamworthy Park, if possible, and be courteous to our neighbours, when trying to park in the afternoons.

We notice that there has been a significant increase in school traffic in the afternoons with some parents waiting for the gate to be opened for parents who have been given permission to enter the school site, then following their cars in. This is posing a danger to our children and must be stopped.

Therefore, we are asking all parents/carers who have been given permission in the past to surrender their parking permit, if they have been given one and re-apply for a new permit on the slip below, giving their reasons to be considered for a permit. Any parents/carers who do not, at present, have a permit, also have the option to apply below. This will enable us to re-issue parking permits and keep a tighter control over the parking in the afternoon.

If you would like to apply for a parking permit, please complete the reply slip below and return to school no later than Monday 27th March.

From Tuesday 28th March the car park will be closed, unless we have received the reply slip and you have been contacted to give you permission to park.

If you have any queries, please do not hesitate to contact me via the school office.

Yours sincerely

Mr J Lumber
Head of School
