INFORMATION SHEET

YEAR 4 CAREY CAMP TRIP – JUNE 2019

- Our exciting residential visit to Carey Camp will be taking place from **Thursday 20th June to Friday 21st June 2019**. We have reviewed and re-vamped the trip ready for next year, with exciting new activities for the children to participate in. From our experience this trip has proven to be a popular educational experience for the children.
- The aim of the visit is to give the children an opportunity to develop personal and social attributes such as self-confidence, responsibility towards themselves and others, endurance and the ability to work in a team. During the 2 days and 1 night the children will experience a variety of activities including low ropes, orienteering, tree climbing and archery.
- **Spaces will be limited to 60 and will be on a first come, first served basis.**
- **The cost of the trip will be £60.** If you wish your child to attend, it is important that this payment is made, sadly, the school has very limited funds for subsidising these activities. If insufficient payments are received, we will unfortunately need to cancel the event or reduce the ranges of activities etc. This is not a part of the National Curriculum and therefore not essential for your child to attend. There will of course, be other activities in school in which your child can take part, should they choose not to go, or are unable to go to Carey Camp for other reasons.
- More details about clothing, medical and dietary needs will be sent out later next year.
- **The trip will be available to book via Parentmail from Monday 26th November 2018 at 7pm. When you book, a non-refundable deposit of £25.00 will be required to secure your child's place.** Please note that cash or cheque payments cannot be accepted for this trip.
- You will then be able to pay the balance in instalments via Parentmail, with the final balance being paid no later than **Friday 24th May 2019**.
- In conjunction with our Behaviour Policy, please be aware that we may withdraw a child from attending the residential trip if their behaviour in school causes concern and, therefore the child could pose a risk when off-site.
- If a child mis-behaves whilst on the residential trip parents/carers may be requested to collect their child immediately.
- If you experience difficulty accessing ParentMail or have any concerns or questions about payment, or about the trip, please do not hesitate to contact the school office; all matters will be dealt with in confidence.
