Dear Parent(s)/Carer(s)

Year 6 Fiver Challenge

We are delighted to inform you that as part of our new Geography topic 'Trade and Economics', Year 6 are undertaking the 'Fiver Challenge' of starting up a company with just £5 (provided by the profit of previous 5iver challenge enterprises). In teams, the children will develop their ideas in 'business workshops' where they will learn key life skills to help them run their very own businesses. Children will have a specific role to play within their teams and they will then pitch their concepts in a 'Dragons' Den' style assembly. The business entrepreneurs will then sell their carefully chosen (and hopefully homemade) products after school on specific dates shown below.

- **Mrs Haylock's and Miss Foulger's business teams Tuesday 2nd July 2019**
- **Mr Boughton's and Mrs Berry's business teams Wednesday 3rd July 2019**

Business awards will also be presented after the challenge is completed to celebrate particular stars that have shone and all profits will be used for a Year 6 treat at the end of the year.

This has previously been very successful and has enabled children to have a positive introduction into the world of finance, business ventures and of course working well within a team. The children will set up a stand after school to sell their products.

If you do not want your child to sell their products after school, please contact the school office, we will assume all children are able participate unless we hear from you. The children will be finishing no later than 4pm.

We really hope your child enjoys this wonderful opportunity!

Yours sincerely

Mrs Haylock
Year 6 Leader

Miss Foulger
