Dear Parent(s)/Carer(s)

Food Hygiene Inspection

At the beginning of January we received a Food Hygiene Inspection from the Environmental Services Team at the Borough of Poole. During the inspection, the Inspector carried out a thorough check of our hot school meal kitchen, our Extended Day kitchen (servicing Breakfast Club and Jet Set Club), as well as all processes and documents relating to these areas.

I am delighted to inform you that we have now received our official rating for food hygiene and we achieved the highest rating of 5 across all areas.

As you are aware we have been cooking our hot schools meals on-site since September and it has proved a huge success. The number of children taking up a hot school meal has increased, but we would still like to see more children enjoying them. If you would like your child to have a hot school meal, ordering them is really easy; please visit www.dorset.mealselector.co.uk. You don't need to order a meal every day, so you have the freedom to choose exactly what meals your child has. The meals cost £2.20 (unless your child is entitled to free school meals), which we feel is really good value for money.

We are very proud of the food we are providing to the children at Hamworthy Park Junior School and know that, in conjunction with Chartwells, our school meal provider, we are delivering a first class hot school meal service.

Yours sincerely

Mr J Lumber
Head of School

Every Child, Every Day, Every Possibility

Hamworthy Park Junior School is proud to be part of the Hillary Partnership and the Hamwic Education Trust
