1) OVERVIEW

The Governing Body of Hamworthy Park Junior School wants to see that the premises at our school are used for the benefit of the whole local community and, in particular, for extended school activities. The education of children is the prime purpose of our school however we believe that the school is a community resource which should be accessible to all.

This statement outlines the policy of our school with regard to letting. It sets out the facilities available, the charges and the responsibilities of the Governors and the Users when the school premises are hired.

The use of our school premises at all times other than during the school day is under the control of the Governing Body of our school (Education Act 2002).

In deciding whether or not to let our premises the Governing Body will also have regard to the likelihood of any damage being caused to the premises, or neighbouring premises, and any nuisance that may arise, as a result of accepting the booking.

In any event, the Governing Body reserves the right to require a reference from the Local Authority or other reputable Hirer, before any booking is accepted.

We will consider letting to any group able to comply with the terms and conditions outlined in this policy. These terms and conditions are clearly stated in our Terms and Conditions of Hire and booking procedure documents, which will be sent out to all hirers at the time of booking.

The final decision on compliance lies with the Governing Body.
