Dear Parent(s)/Carer(s)

**Year 4 Poole Harbour Trip
Thursday 21st and Friday 22nd March 2019**

We would like to inform you that your child has been given the opportunity to attend a boat trip around Poole Harbour. The purpose of the trip is to give your child the chance to view the many coastal features of our local area and a chance to view winter birds in their natural habitats. This links closely with our science topic 'Living Things and their Habitats'.

The trip will be taking place on **Thursday 21th March (KD and LU) Friday 22nd March (4LF and 4DM)**. All the activities will take place in the morning and we will be back in school for the beginning of lunchtime, therefore lunch will be eaten in school as normal.

Children should wear **warm non-school uniform**, including a WARM waterproof hooded coat and non-slip footwear like trainers in case of inclement weather. Hats and scarves are also strongly encouraged.

If your child needs to take any medication during the trip, this should be handed to their class teacher on the morning of the outing, in a sealed envelope marked with their name and clear instructions. If your child suffers from seasickness we recommend they take any necessary medication before coming to school. Please note that if your child has an inhaler or an Epi-Pen in school, these will be taken on the trip by our First Aiders as a matter of course.

Thanks to the kindness of Birds of Poole Harbour this trip will be without charge. Drinks and snacks will also be provided.

If you have any further questions, please do not hesitate to contact the school office or your child's class teacher.

Yours sincerely
