Dear Parent(s)/Carer(s)

Sex and Relations Information and Drop in session

As part of Personal, Social and Health Education (PSHE) all classes will be covering a programme of study about Sex and Relationships. These lessons will be taught by your child's class teacher over a period of 6 weeks, in the second half of the Summer Term. Each year group will be taught appropriate to their age and development stage. Please see below for a summary of each year group:

Year 3 - How babies grow and how boys' and girls' bodies change as they grow older;

Year 4 - Internal and external reproductive body parts, body changes in girls and menstruation;

Year 5 - Puberty for boys and girls, and conception;

Year 6 - Puberty for boys and girls and understanding conception to birth of a baby.

All lessons are taught using simple, child-friendly language and pictures, which help children understand changes more effectively.

We warmly invite you to attend a drop in session after school on Thursday 23rd May from 3.15pm to 3.45pm in our **school hub**. This is an opportunity for you to look at the materials we will be using and for us to answer any questions you may have.

Yours sincerely

Mrs D Murray
PSHCE Subject Leader
