24<sup>th</sup> July 2018

Dear Parent(s)/Carer(s)

On behalf of myself and the year 4 team I would like to take this opportunity to thank you for a successful and enjoyable year. I am extremely proud of all of the children in year 4 and have had a wonderful time seeing this year group mature and flourish with their learning.

With the summer holidays coming up, I would like to wish everyone a restful break and hope that many lasting memories are made! Nevertheless, it is still important that children maintain many of the key skills they have worked so hard to develop this year.

Regular reading, times table recall, spellings and practice of key writing and mathematical skills is highly recommended by all of us in year 4 in order for your children to enter year 5 ready and confident for the new challenges that lay ahead.

Below is a list of extremely useful and fun websites that your children should already be familiar with and will have login details in their diaries.

Mathletics:

<http://uk.mathletics.com/>

Timestables Rockstars:

<https://trockstars.com/login>

Hit the Button (a really fun website dedicated maintaining children's mathematical fluency in all areas):

<https://www.topmarks.co.uk/maths-games/hit-the-button>

All children will also be provided with a handout of key spellings they are required to know upon entering year 5. I have also included a list of key comprehension questions that will be helpful when testing and building on reading comprehension too. Your children will also be taking home their maths and English homework books which have many useful, short activities to complete.

Once again, I would like to thank you all for your continued support and I wish your children all the best in their transition into year 5. Have a wonderful summer break!

Yours Sincerely,

Miss Upson
