Dear Parent(s)/Carer(s)

### Year 4 Home Learning

Happy New Year and welcome back! Please find below useful information in relation to your child's home learning for the next term. We hope you will find this information useful.

**Home Learning Diaries & Reading Books:** Please ensure your child brings their Home Learning Diary and their reading book with them to school every day.

**Reading:** Every child is encouraged to read five times per week with an adult. Please sign your child's Home Learning Diary each time they read.

**Spellings:** The spellings are given out on a Monday and tested the following Monday. Please ensure your child practices their spellings each evening.

**Times tables:** Knowing the times tables up to 12x12 is now a National Curriculum requirement by the time your child reaches the end of Year 4. Please ensure your child practices their times tables on Rock Star Maths for at least 30 minutes per week, for example 10 minutes three times per week. If your child has problems accessing Rock Star Maths, please speak to their class teacher.

**English and maths:** Each Friday your child will receive a piece of English or maths home learning from their CGP book. If you would like to support your child with the marking of their English and maths home learning you are welcome to; you will find the answers at the back of the books. This piece of homework is to be returned by the Friday of the following week.

**Independent Topic Study:** Each term your child will have the opportunity to complete a study of their own choice focusing on aspects of their current project. The topic information for each term can be found on the school website.

Thank you for your support, it is greatly appreciated. If you have any questions, please do not hesitate to contact your child's class teacher via the school office.

Yours sincerely
