8<sup>th</sup> February 2018

Dear Parent(s)/Carer(s)

### **Year 5 Half-Term Home Learning**

During this half term, we would like Year 5 children to complete some home learning tasks which include English, Maths and Topic work.

#### **English**

This relates to our unit of English about The Hippocrump, where the children have questions to answer relating to this poem.

#### **Maths**

Please could we ask that the children complete page 29 'Ordering Fractions' in the Year 5 Maths Home Learning books.

#### **Topic**

Following our topic on 'Medicine through the Ages', we would like to give your child the opportunity to put together a small project on their favourite part of this learning. This can be about the Plague, Edward Jenner and the smallpox vaccine, Florence Nightingale and the influence she made to nursing or the NHS and medicine today.

How your child presents this project is entirely up to them - it could be an ICT presentation using a USB stick or a hand written project using pictures with explanations; you can include any other creative ideas you have.

We thank you for your continued support regarding your child's learning,

Yours sincerely

Mrs A Davis  
Year 5 Leader

Mr L Boughton  
Year 5 Teacher

Mr C Barton  
Year 5 Teacher

Mrs. R. Evans  
Year 5 Teacher
