2nd July 2018

Dear Parent(s)/Carer(s),

Year 6 Activities Week – Tuesday 10th – Friday 13th July

For our exciting Year 6 activity week, the children will be taking part in a range of activities that will require them to use their creative and sporting skills. Although they are not a part of the statutory programmes of study for the National Curriculum, it will provide an excellent opportunity for your child to develop a range of life skills as well as enhancing our School's core values, such as resilience, collaboration, creativity and independence. These activities are free of charge and take place during the normal school day.

During this week, children can come to school in non-school uniform. Please ensure that your child has sun cream, sunhat, water bottle, waterproof coat and suitable footwear for any outdoor activities. Children who have hot school lunches will be provided with these as normal.
